Notes on video broadcasting

*For Metro Hat Vision, a separate material submission fee will be charged from the first material onwards, and for network signage, a separate material submission fee will be charged from the second material onwards.

*The minimum broadcast rate [broadcast rate = (number of actual broadcast surfaces x actual broadcast time) ÷ (number of installed surfaces x broadcast time)] is 90% (except in emergencies).

* Price may be subject to change without advance notice; therefore, please contact the management for current fees and other information.

* Consumption tax is not included in the above fees and is separately charged.

* Above includes media that are managed under a contract agency system.

* Graphic design and video materials are subject to a pre-check and approval process before installation/exposure.

* Production/processing of advertising materials for Metro Hat, waterscape, and backlit ad boxes must be handled by a production company designated by the management.

* Media sizes may differ slightly depending on the production company.

*Conditions apply for exposure, so please contact the person in charge.
