

WATERSCAPE & CANOPY PILLARS

The escalator from Metro Hat, the gateway to Roppongi Hills, takes visitors to 66 Plaza, a popular rendezvous spot. With its high visibility, the unique "waterscape" and canopy media in the relaxing green space with its iconic spider objet d'art captures the attention of not only Hills visitors, but also businesspeople going to Mori Tower.

Note: Certain conditions apply regarding the sale of this media. Please contact the person in charge for details.
